

3 May 2022

To whom it may concern,

The **60th Annual Meeting of the Association for Computational Linguistics (ACL 2022)** will take place in **Dublin, Ireland** from **22nd – 27th May 2022**. The exchange of research ideas and progress in the field of natural language processing will, hopefully, be of great interest and benefit to all those attending the conference, as well as providing a forum in which one may meet and make ongoing collaborative connections with others in the same areas of research.

We can confirm that ***Juan Miguel Vasquez Aguilar*** has paid the registration fee of **\$250.00** to attend the **ACL 2022** conference as a delegate.

General information on ACL 2022 is available on the conference website <https://www.2022.aclweb.org/>

Should you require any further information please email the Conference Secretariat: acl2022@abbey.ie

With Best Wishes,
